

Clarín and Libraries

- Workshop in May
 - Variety of initiatives and ideas, tools and projects
 - The knowledge about it is valuable

- Library is not library

Clarín and Libraries

- Collections of Libraries
 - unstructured, big, using not easy
 - Need research-driven structuring and indexing
 - crosslinking collection
 - legal and ethical restrictions
 - Changes require the European level

Clarín and Libraries

- Conference of European National Librarians (CENL)
 - network of 46 national libraries in 45 European countries
 - Executive Committee:
 - ***Go for a „Dialog Forum“ with CLARIN and DARIAH-EU***
- Have a look at the activities in context of:
 - International Federation of Library Associations and Institutions (IFLA)
 - Europe's research library community (LIBER)
 - Consortium of European Research Libraries (CERL)
