(Part of DoBeS archive : Movima)

⊕ Length: 00:03:13.840 What there is to eat at the festival of the "comidas típicas"; Movima is a genetically unclassified language spoken in the Moxos region in the savannahs of the Bolivian Amazon area. It is still spoken by more than 1,000 people. Most speakers are over 50 years old and bilingual in Spanish. Movima...

[Spanish; Cas..](#) [Movima](#)[🏠 Landing page for this record at archive.mpi.nl](#)**Comida antiga dos Trumai**

(Part of DoBeS archive : Trumai)

⊕ Speaker 1 enumera as antigas comidas dos Trumai, quando não viviam ainda no Xingu.; O objetivo d'este projeto è a descrição etnolinguística da língua trumai, língua isolada falado na área do Alto Xingu. Os documentos apresentados foram recolhidos principalmente anos sessenta e oitenta.; o trumai è uma língua isolada.; s...

Other features

- Available:
 - Get individual record by id
 - Get result count for query
 - Get individual facet
 - Submit a record for ingestion (if authorised)
- Planned:
 - Get facet mapping for an individual record
- Work in progress:
 - Elasticsearch / OpenSearch back end
 - New logic and definition language for facet mapping / processing
 - Post-hoc field mapping in API (easier adaptation for custom mappings)
